

Free Indeed Deliverance Conference

Danny & Debra Hutchins Welcome You to
God321 Church Of The Holy Spirit • Sterling Heights, MI

To Hear Dr Douglas E. Carr Of Free Indeed Ministries on
Friday & Saturday, July 12-13, 2013

From 10am – 5pm

Teach on **Divine Deliverance**

Dr. Carr has been in the ministry since 1973 with three years in youth ministry and **28 years** of Pastoral ministry. He received his BA from Spring Arbor College in 1977. After pasturing four churches, Douglas had some encounters with the Spirit of God that led him on a search for the **deeper things** of the Spirit. This quest led him to a forty-day fast during which he sensed the call to complete his **Masters and Doctorate** through the Wagner Leadership Institute.

Douglas has been a regional coordinator of the Strategic Prayer Network. He is a member of **Breakthrough Apostolic Ministries Network** under Apostle Barbara Yoder of Ann Arbor, Michigan and has ministered in healing and deliverance in the United States, Namibia, India and Mexico. He is the author of a **book** on deliverance titled: “**Free Indeed: A Primer on Deliverance Ministry**”, which will be available for purchase.

There is **no charge or registration for the conference**. Dr. Carr has handouts and an optional student workbook for the class, which will be available for \$5 for each class.
